Sale of Rugs, Carpets and Linoleum

NOW IN FULL SWING

This is an opportunity for thrifty home managers to select new floor coverings of handsome rugs, carpets and linoleums at prices which present money's worth. The sale will not be offered again for months, or perhaps years. The new tariff had the effect of thousands of new homes and public buildings, which require new floor coverings. It caused a slump in the mill—also rug, carpet and linoleum—on these commodities October 1. We had promptly applied our needs for the present season when prices were at this low level, and that is the reason why we are able to offer such extraordinary values during the sale.

Make your selection early because already some of the late and sizes are broken. Here are a few of the many exceptional Rug values offered during this sale:

WALK-OVER

The big news of the day in shoes

There's been a turn for the better in shoes. Competition has been "fierce." It got so bad that a low price seemed to be EVERYTHING. Lots of people welcomed low prices and bought cheap shoes.

But they are through now.

People have gone back to GOOD shoes, real shoes—and that's where Walk-Over comes in. And, oh, the difference between a cheap shoe at a low price and a Walk-Over at the right price.
